(Filed September 4, 2003)

**ADMINISTRATIVE LAW JUDGE'S RULING  
SETTING FILING DATE FOR THIRD STATUS REPORT  
ON PHASE II ISSUES**

On December 20, 2004, the Office of Ratepayer Advocates, California Water Association, and Park Water Company submitted a report on the status of Phase II issues that the Commission identified in Decision 04-06-018 for further consideration. Under the direction of the Commission's Water Division staff, the parties held workshops in August, September, October, November, and December, 2004. These workshops were productive and addressed 10 specific issues.

The parties have scheduled further workshops, and will be able to provide a further status report by March 15, 2005.

For good cause shown, the parties are authorized to file a third status report on Phase II issues on March 15, 2005. Under the direction of the Commission's Water Division, the parties shall cooperatively schedule and participate in workshops necessary to address all Phase II issues.
